DISCLAIMER

All coins are worth **face value** i.e. 50 pence, however a coin collector may be willing to pay more to own a coin.

Our coin prices are provided as an indication of a 50p coin value based upon eBay coin sales history.

The value of individual coins varies based upon condition, demand and if it is a rare coin.

To get your coin worth, have it appraised by a Numismatist or professional coin grading service.

We do not accept any liability for your use of the information provided here since the accuracy of the prices is not guaranteed due to the inconsistency of eBay sales data and the subjective nature of coin valuations.

This data may not be published or reproduced without our written consent.
